Graduation Rate

Four-year, five-year, or six-year graduation rate (or annual dropout rate if no graduation rate)

Domain Score

For elementary and middle schools, the Student Achievement domain score is based solely on the STAAR component. For districts and high schools, the three components are weighted 40%-40%-20%, respectively.

SCHOOL PROGRESS

All Students

Part A: Academic Growth

Credit awarded for students who improve performance year over year as measured by STAAR progress measures and performance levels on STAAR reading and mathematics.

Part B: Relative Performance

Credit awarded based on performance relative to similar districts or campuses.

Domain Score

The School Progress domain score is the better of Part A: Academic Growth or Part B: Relative Performance.

Better of either Student Achievement or School Progress **70%** of overall rating

CLOSING THE GAPS

All Students and Disaggregated Student Groups

Student performance disaggregated by the following:

- All students
- Race/ethnicity
- Economically disadvantaged status
- Current special education
- Former special education
- Current and monitored English learners
- Continuously enrolled
- Non-continuously enrolled

Components

- Academic Achievement
- Federal Graduation or Growth Status
- English Language Proficiency
- School Quality or Student Success

Domain Score

Credit awarded based on weighted performance of student groups against annual targets.

The Closing the Gaps domain score is based on the four components weighted according to district or campus type.

30% of overall rating

Distinction designations are awarded to campuses in ELA/reading, mathematics, science, social studies, Academic Growth, and Closing the Gaps. Distinction designations are awarded to campuses and districts in Postsecondary Readiness. Campuses must be rated Met Standard overall to be eligible for distinction designations. Districts rated F overall and alternative education accountability campuses are not eligible for distinction designations.

*STAAR results from EL students in their first year in U.S. schools are excluded from accountability calculations. STAAR results from EL students in their second year in U.S. schools are included via the EL performance measure. STAAR Alternate 2 results are included without regard to number of years in U.S. schools. For more information, see the 2019 Accountability Manual.

Districts, charter schools, and their and campuses must engage in intervention requirements, including identifying members of the Campus Intervention Team (campus only), conducting a needs assessment, and developing and implementing a Targeted Improvement Plan if:
a campus or district/charter school, including those evaluated under alternative education accountability, receives an overall rating of F (unacceptable performance)
