Women With Vision

In Edgewood ISD, we understand that at the heart of our families is our abuelas, mothers, tias, and sisters. There is power in a woman's decision-making that we will strive to highlight as we re-imagine our district. EISD "Women with Vision" is a partnership of community matriarchs who are engaged and committed to the improvement of EISD for the betterment of all students. Superintendent Dr. Eduardo Hernández will work with this network of women leaders to seek their input as we explore different important topics to Edgewood ISD's innovative transformation.
