Superintendent Report  
Dr. Eduardo Hernandez, Superintendent of Schools

# Board Monthly Cadence

**Board Workshop:** Workshop can last 4 to 6 hours. Our board learns about items that will be presented at the regular board meeting for approval. They can take a deeper dive and ask questions about the items to make a decision to approve or deny at the regular board meeting.

**Board 1-1 Meetings:** Each board member meets with the Superintendent 1 to 1. Meetings are between the workshop and board meetings to allow the board member to ask the Superintendent clarifying questions.

**Board Performance Planning Meetings:** These meetings are being designed to bring attention to the Metrics associated with sustaining a High-Quality School District. Topics may be around areas of inventory in warehouse material, vehicle fleets, bus ridership, student participation in Nutritional programs, and Accounting audit findings, and updates on projects. Furthermore, analysis will consist of expounding on student assessment data, scholarship awards, enrollment in AP/ECHS/Dual Credit courses.

**Board Meetings:** Meetings can be between 2 to 3 hours long. These are held once a month. It is at these meetings that Board of Trustees approve all items on our Consent Agenda, if they believe it is in the best interest of the district.
