Board Monthly Cadence

Board Workshop: Workshop can last 4 to 6 hours. Our board learns about items that will be presented at the regular board meeting for approval. They can take a deeper dive and ask questions about the items to make a decision to approve or deny at the regular board meeting.

Board 1-1 Meetings: Each board member meets with the Superintendent 1 to 1. Meetings are between the workshop and board meetings to allow the board member to ask the Superintendent clarifying questions.

Board Performance Planning Meetings: These meetings are being designed to bring attention to the Metrics associated with sustaining a High-Quality School District. Topics may be around areas of inventory in warehouse material, vehicle fleets, bus ridership, student participation in Nutritional programs, and Accounting audit findings, and updates on projects. Furthermore, analysis will consist of expounding on student assessment data, scholarship awards, enrollment in AP/ECHS/Dual Credit courses.

Board Meetings: Meetings can be between 2 to 3 hours long. These are held once a month. It is at these meetings that Board of Trustees approve all items on our Consent Agenda, if they believe it is in the best interest of the district.

TEXAS STATE

TEXAS SCHOOL SAFETY CENTER

TEXAS SCHOOL SAFETY CENTER NOTICE OF INTRUDER DETECTION AUDIT FORM

Date of Intruder Detection Audit: 09/21/2022
 Campus Name: Roy Cisneros Elementary School
 Physical Address: 3011 Ruiz Street, San Antonio, TX 78228
 Principal Name: Ida Nunez
 Principal Email Address: ida.nunez@elsd.net
 Campus Phone Number: 210-898-4170

District Name: Edgewood ISD
 Superintendent Name: Dr. Eduardo Hernandez

THIS DOCUMENT SERVES AS THE OFFICIAL NOTICE OF INTRUDER DETECTION AUDIT FOR YOUR CAMPUS

Pursuant to the charge issued by Governor Greg Abbott on June 1, 2022, to the Texas School Safety Center (TxSSC) in coordination with the Texas Education Agency (TEA), the TxSSC is given authority to conduct in-person, unannounced, random intruder detection audits on school districts. The charge specifies that TxSSC designated staff and/or contractor (Inspector) should approach campuses to find weak points and how quickly they can penetrate buildings without being stopped. The audit will help determine if schools have implemented their Multi-Hazard Emergency Operations Plans (EOP). This process improves accountability and ensures school districts are following the plans they created.

Your District's Superintendent and Primary Law Enforcement Entity were notified prior to this Intruder Detection Audit. The full cooperation of your campus staff is required. The Inspector shall be given access to all areas of your campus, and a campus staff representative shall be assigned to escort the Inspector across your campus to test all exterior instructional facility doors and a sampling of internal classroom doors as appropriate.

For questions pertaining to this form, the Inspector's authority, or the Intruder Detection Audit, contact Nate Turner, Associate Director for School Safety Readiness, Texas School Safety Center at Texas State University via phone at (512) 245-0895 or via email at nturner@txstate.edu.

General Findings: ✓ No Findings documented by Inspector at this time

Unsecured access gained into school
 Unsecured exterior door(s)
 Unsecured classroom door(s) ONLY if district has a policy
 Documentation of weekly exterior door sweeps was not observed

A full report with all required correction actions and/or follow-up action steps will be sent to the District Superintendent no later than 5 business days of the Audit.

• TEA School District Safety Audits conducted to date 2022-23 School Year resulted in Edgewood ISD **passing** each audit with no discrepancies.
