# BOARD MONTHLY CADENCE

## Board Workshop

Workshops can last 4 to 6 hours. Our board learns about items that will be presented at the regular board meeting for approval. They can take a deeper dive and ask questions about agenda items to make an informed decision when they vote at the regular board meeting.

## Board 1-1 Meetings

Each board member meets with the Superintendent 1 to 1. Meetings are between the workshop and board meetings to allow the board member to ask the Superintendent clarifying questions.

## Board Performance Planning Meetings

These meetings are designed to bring attention to the metrics associated with sustaining a High-Quality School District. Topics may be around areas of inventory in warehouse material, vehicles, fleets, bus ridership, student participation in Nutritional programs, Accounting audit findings, and updates on projects. Furthermore, analysis will consist of expounding on student assessment data, scholarship awards, enrollment in AP/ECHS/Dual Credit courses, and other student-centered metrics. **May 11, 2023**

## Board Meetings

Meetings can be between 2 to 3 hours long. These meetings are held once a month. It is at these meetings that the Board of Trustees vote on all items on our Consent Agenda, if they believe it is in the best interest of the District.
