THE OFFICIAL EXPERT VACCINE ALLOTMENT PANEL'S
DEFINITION OF FRONTLINE WORKERS**

WHEREAS, the Edgewood Independent School District Board of Trustees (Board) recognizes that the United States Government, the State of Texas and Local Health Authorities have declared a disaster and emergency regarding Coronavirus/COVID-19 (hereafter "COVID-19") and its spread across the State and Nation and continue to extend these declarations;

WHEREAS, the Board recognizes that COVID-19 is an unforeseen and unavoidable emergency of urgent public necessity, that the World Health Organization has declared COVID-19 a pandemic, and that additional emergency declarations have been and will continue to be issued in the coming days, weeks and months;

WHEREAS, the Public Schools of the State of Texas impact millions of students and personnel and have a profound effect on educational, social, economic and public health issues and are integral to the general welfare of the State;

WHEREAS, the Public Schools of the State of Texas are charged with the task of caring for, educating, nourishing and providing extra-curricular activities to millions of Texas students 5 days a week thus allowing a vast number of parents the opportunity to engage in gainful employment to support and nurture wholesome home environments for our Texas students;

WHEREAS, the Public Schools of the State of Texas are dependent on dedicated school personnel from administrators, teachers, educational and professional specialists to clerical, maintenance, transportation, child nutrition, security and other support staff to conduct the day-to-day operations of our schools and ensure the mission goal of the efficient delivery of instruction;

WHEREAS, our District and our personnel as well Districts across the State have responded heroically to the challenges brought forth by COVID-19 regarding the delivery of instruction, but issues persist in the quality of learning especially among students that would most benefit from live, face-to-face instruction;

WHEREAS, the Texas Department of Health recently reported a high number of employees and students have tested positive for COVID-19 and the Board, having a substantial public interest in protecting the health and safety of the District's students, staff, and community, therefore, desires to ensure that the District and community are prepared to the fullest extent possible in light of COVID-19;

WHEREAS, it appears that through the significant efforts of the public and private sectors, effective vaccines are now available to administer to our citizens in an effort to thwart the spread of the COVID-19 pandemic and return our lives to a semblance of normality and stability;

WHEREAS, the State of Texas convened a team of external and internal subject-matter experts into the Expert Vaccine Allocation Panel (EVAP) to develop vaccine allocation strategies as recommendations to the Texas Commissioner of Health, including guiding principles for the equitable distribution of the vaccine across the State which appropriately prioritize making vaccines available to **FRONTLINE WORKERS** and vulnerable populations;

WHEREAS, in order to balance the educational, health and economic issues described above, the Governor of Texas, the Texas Commissioner of Education and the Texas Education Agency prescribed guidelines and directives to Public School Districts to currently make available live instruction to those students who request it and to continue to aggressively phase-in live instruction for all students in the near future;

WHEREAS, the Board and District Administration is following advice and directives from federal, state and local authorities in responding to COVID-19;

WHEREAS, Texas Public School District personnel are essential to the day-to-day operations of a District as described above and critical for the resumption of live, face to face instruction;

WHEREAS, Mr. Ruben Cortez, Jr., District 2 Member of the State Board of Education recently requested of the Governor Abbott that School District employees State-wide be defined as **FRONTLINE WORKERS** for purposes of vaccine allocation and the Board wishes to join Mr. Cortez and support him in his request to the Governor.

IT IS THEREFORE RESOLVED THAT the Edgewood Independent Board of Trustees finds a substantial public purpose exists in requesting of the Governor and EVAP that all Public School District personnel be designated **FRONTLINE WORKERS** as that term is defined by EVAP and as essential **FRONTLINE WORKERS** that they be given appropriate priority in the statewide administration of the COVID-19 vaccine.

The above Resolution is passed and adopted this 19 day of January, 2021 by the Edgewood Independent School District Board of Trustees.
