

Joseph M. Guerra Board Member

Joseph M. Guerra was born in San Antonio, Texas and has lived in the Edgewood district all his life. He graduated from Edgewood High School in 1970. He was a certified Respiratory Therapist and specialized in Neonatal Respiratory Care. He worked at University Hospital in the Neonatal Intensive Care which directed his career to Southwest Foundation for Biomedical Research and later to Southwest Research Institute where he retired. He was instrumental in developing models of lung disease and the treatment of those diseases especially relating to prematurely born newborns.

Though Mr. Guerra is retired, he is still an active and vested member of his community. He involves himself in the local PTA, Band and Athletic Boosters, Reading Days at local schools, and in his homeowner's association. He is a proud supporter of the Go-Public Campaign and is a member of the Westside Education and Training Center Blue Ribbon Committee. He is a past member of the Advisory Board of the Animal Care Service Over-site Board for City Council District 6. He has also served as an associate member of the Edgewood District Veterans, and currently is a member of the San Antonio Edgewood Lions Club.

Mr. Guerra firmly believes in the public education system. He believes the opportunities and skills that are extended to the students that attend a high-quality public school are far more reaching than can be measured by any test.

Joseph M. Guerra has served as a current and past member of the Edgewood School Board. He served as President of the Edgewood School Board from 2010 to 2014.
