

Timothy W. Payne Board Member

Mr. Timothy W. Payne attended both elementary and secondary schools in the Edgewood Independent School District. He graduated from Edgewood High School and received his Bachelors degree in Health Education from the University of Texas, San Antonio. Mr. Payne is a resident and proud parent of a student attending school within the district.

Mr. Payne is a lifelong learner and has many years of experience working with students in achieving their very best.

He has previously worked for Early Head Start & Head Start age programs, coached basketball teams for students and worked with juvenile aged children at short and long term treatment programs. Mr. Payne is a strong and vocal advocate in bringing affordable housing to the district to benefit our children, families, and community.

He believes all children can learn, succeed and it will take everyone working together to make a difference to inspire and ignite student learning and achievement.

"When we Love knowledge and can be corrected; then growth and learning will be a part of Our Successes". (TWP) "Edgewood, Students First"
