

# Rethink & Redesign Task Force

---

Meeting 3

Oct. 4, 2023

EISD

District Conference Center

Presented by: Task Force Co-Chairs

# AGENDA

---

- Welcome 5:00-5:05 PM
- Round Robin Questions 5:05-5:15 PM
- Purpose 5:15-5:20 PM
- Mind Map Breakout sessions 5:20-5:50 PM
- Report Out 5:50-6:20 PM
- Closing Remarks/Next Steps 6:20-6:30 PM

# Your Why

---

Parents, what do you hope is the outcome for your children?

Teachers, what do you hope is the outcome for you and your students?

Community members, what do you hope the school district accomplishes that benefits the students and ultimately our community?

# Purpose

---

Better position EISD to serve our students today and in the future by identifying opportunities to optimize resources

Share ideas and insights that will help us create the environments and programs necessary for our students.

Serve as a **champion for the best interests of our students, staff and community** as we move toward a recommitment to a brighter future for EISD

# Today's Charge

---

Challenge for the taskforce is to RETHINK how we can achieve the best results for our students.

- Can we add programs at some schools?
- Can we change structure of schools like reverting back to more traditional K-5 campuses with pre-k added?
- Can we turn a school concept that is working like Fine Arts academy into a 6-12 program?
- Can we utilize a campus for better partnerships? (e.g. SA first responders, healthcare organizations, family service organizations, etc.)

# Mind Map Process

---

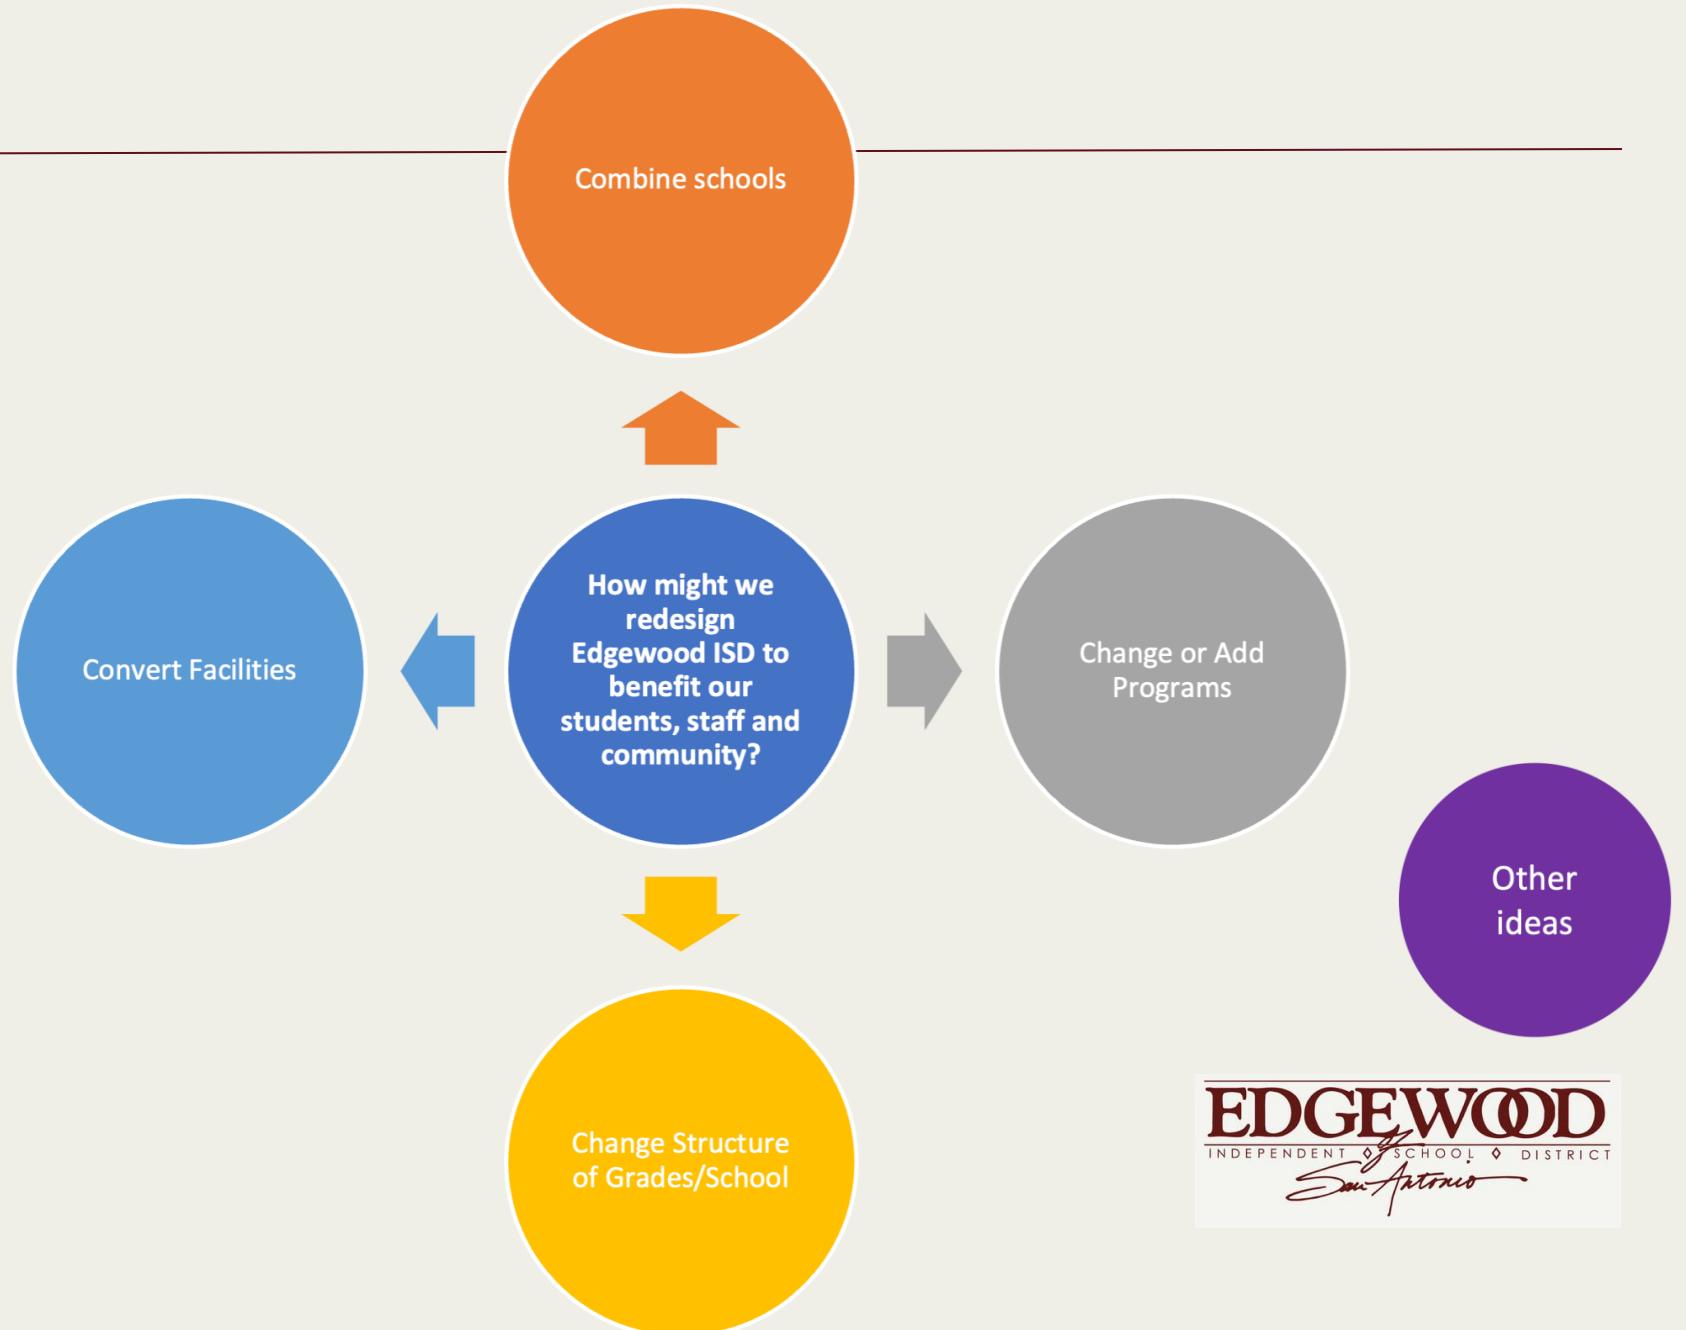

- Form into groups from last time
- Remind your group of your ideas from last time and brainstorm new ideas considering the question at above
- Write ideas on the half sheets of paper with both the idea and rationale for why you think this is a good idea.
  - Blue – consensus
  - Pink – individual idea
- Place idea in one of four categories on the map

# Report Out

---

- Pick someone to share out recommendations from your group posted on the "board"
- We do not want to debate feasibility at this time – facilities and finance will do that when reviewing recommendations

# Next Steps

---

1. All recommendations will be reviewed by the facilities and finance committee to determine:
  - Feasibility/cost
  - Timeline
  - General Impact to the District
  - Fairness to ensure every student benefits and there is inherent value in the changes being recommended.
2. Facilities and Finance will review, seek community feedback and ultimately develop final recommendations to the board of trustees
3. Facilities and Finance will follow up with the task force to share final recommendations before taking them to the board workshop in November.

# Community Meeting Dates

---

- Oct. 19, 2023 at Kennedy High School auditorium
- Oct. 20, 2023 at Fine Arts Academy auditorium
- Oct. 23, 2023 at Memorial High School auditorium
