RE: STRENGTH, CONDITIONING AND SKILLS CAMP

Dear Edgewood ISD Athletic Community,

Taking into consideration the health and safety of all students and staff and in an abundance of caution, due to the recent increase in confirmed COVID-19 cases, the decision has been made to suspend all Edgewood ISD summer strength, conditioning and skills camps at all campuses until further notice. EISD will continue to monitor the current health environment. We will follow up with our parents/guardians regarding any updates and changes to workout schedules. EISD appreciates your support during this rapidly evolving situation.

Sincerely,

Robert Gomez
Athletic Director for Edgewood ISD
