Welcome to the Edgewood Independent School District, where we have been educating children since 1905!

I hope you find this Enrollment Guide helpful as you navigate the many options we offer and learn about our schools and programs designed to best meet the diverse needs of our students.

It is my great privilege to serve as Superintendent for the Edgewood Independent School District. I feel blessed to call this 16 square mile radius home. We developed our Vision 2025, or what I like to call #1•3•5•5. This hashtag encompasses what guides and fuels everything we do here in the district.

- Our ONE district outcome: To graduate all students college-, career-, or military-ready by their expected date of graduation
- Our THREE core values: Professionalism, Accountability, and Communication
- Our FIVE goals: Focus on Student Success | Focus on Students, Families, and Community | Focus on Operational Excellence | Focus on Employee & Organizational Improvement | Focus on Financial Stewardship
- Our FIVE Innovation Zones: Early Childhood, Leadership, Performing Arts, Public Service, and STEAM

We have high expectations throughout our schools with programs to support our students from their start in full-day prekindergarten all the way through high school graduation.

Non-boundary choices by application include a number of schools with diverse areas of focus and learning environments, including single-gender school, early college high schools, and career-themed, industry-led schools in our five learning zones.

This guide features details on each EISD school, as well as information on our services to support students and families. I thank you for taking the time to review this guide and to learn more about what all EISD has to offer. We are Edgewood Proud!

Sincerely,

DR. EDUARDO HERNANDEZ
Superintendent

ENROLLMENT INFORMATION

WHO NEEDS TO REGISTER:

- All Edgewood ISD students both new and returning must enroll each year.

COMPLETE REGISTRATION IN ONE OF THE FOLLOWING WAYS:

- Online @ www.eisd.net/enrollment
- Scan the QR Code
- Contact the School to Schedule an Appointment

REQUEST A TRANSFER:

- Complete Transfer Application Form
  - In district - at your designated home campus
  - Out of district - at the campus you wish to attend

THE FOLLOWING ITEMS ARE NEEDED FOR NEW STUDENTS

- Parent/Guardian ID (Drivers License, Passport, Military ID, Permanent Resident Card)
- Social Security Card (Student), if available
- Certified Birth Certificate (Student)
- Current Immunization Record (Student)
- Copy of Report Card
- Current Utility Bill (Electric, water, cable or lease agreement)

ITEMS CAN BE ENTERED INTO THE ACCOUNT IN THE FOLLOWING WAYS:

- Uploaded directly to the online system
- Brought to the campus by appointment

Bilingual Hub Campus

In certain circumstances English language learners are assigned to a bilingual hub campus as an alternative to their zoned home campus in order to participate in a dual language program.

If you have any questions please contact your child's school.

It is the policy of the Edgewood ISD not to discriminate on the basis of race, color, national origin, sex, or handicap in its educational programs, services or activities as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.
EISD recognizes that each child has special gifts and parents want schools that fit the needs of their students. That is why all EISD schools are choice schools offering opportunities for students to pursue their interests and career goals or to fit their individual learning styles. All EISD schools are open to students across Bexar County.
EARLY CHILDHOOD CENTERS

CARDENAS EARLY CHILDHOOD CENTER
3300 RUIZ ST., SAN ANTONIO, TX 78228

EISD recognizes that each child has special gifts and parents want schools that fit the needs of their students. That is why all EISD schools are choice schools offering opportunities for students to pursue their interests and career goals or to fit their individual learning styles. All EISD schools are open to students across Bexar County.
HEAD START

The City of San Antonio and Edgewood Head Start Program partnership is committed to assisting eligible children and families of San Antonio and Bexar County with high quality educational, nutritional, medical, dental, mental health, disability, and other services through strong partnerships that promote success through school readiness and family strengthening.

- Child must be 3 or 4 years old on or before September 1st.
- Family must meet Head Start eligibility guidelines.

We are committed to excellence in education for the children and families within our vibrant community. Go online to www.eisd.net/enrollment or make an appointment at one of our two schools to submit a Head Start Application for your child. Our centers take applications every school day.

PRE-KINDERGARTEN

Our Early Childhood Centers and six elementary schools offer full day, high quality pre-kindergarten instruction. Priority enrollment is given to eligible 4 year olds that meet one of TEA's Pre-Kindergarten qualifications:

- The child is eligible to take part in the national free/reduced-price school lunch program or receive Medicaid Free/Medicaid-Reduced benefits.
- The child is unable to speak and comprehend the English language.
- The child is homeless.
- The child is a dependent of an active duty member of the U.S. armed forces or member who was injured/killed while on duty.
- The child is or has been in foster care in the state of Texas
- The child is a dependent of a person eligible for the Star of Texas Award.

PreK-4 students must be 4 years old on or before September 1 to be eligible. Pre-Kindergarten services are offered at the Gardendale Early Learning Program in coordination with PreK4SA.
MEETING OUR STUDENTS NEEDS

MULTILINGUAL/ESL
210-444-8105

Dual Language Models and English as a Second Language
Multilingual Services provides opportunities for students to develop and achieve both academic and linguistic proficiency in two languages, as well as promote multilingual and multicultural understanding in our ever-changing society. The expectation is for all students graduating from the EISD Dual Language models to be:

- Bilingual
- Biliterate and multicultural
- Empowered with higher levels of academic confidence, and intercultural understanding
- Prepared with the 21st century skills necessary for success in higher education and the workforce

The Dual Language models (One-Way and Two-Way) are examples of one of these enrichment models. Additionally, the Multilingual Services also offers an English as a Second Language (ESL) model.

Migrant Program

EISD Migrant Education Program provides support and services to ensure that all students have a high-quality education. Migrant students will receive support necessary to ensure that they are school ready and on time to graduate.

- Students will be identified through our family surveys
- Students who meet eligibility criteria will be recruited through face-to-face meeting with families.

Once students are verified, as eligible then migrant staff will work with families and campuses to facilitate support. Quarterly PAC meetings provide information to parents about academic requirements, instructional support services and support services that are available to students. The Migrant staff builds relationships with families to be an advocate for migrant students. Migrant Program’s focus is to improve migrant students’ abilities in Reading and Math.

CAREER & TECHNICAL EDUCATION (CTE)
210-444-8119

The Career and Technical Education program provides students with opportunities to gain valuable hands-on experience in diverse careers, including the most high-demand areas based on industry feedback, while also preparing them for college. Every EISD high school and middle school offers multiple career pathways. Students in these programs have the opportunity for real-world experiences through internships or job shadowing and industry certifications. Below are the pathways, by Endorsement, offered at EISD, listed by High School campus:

Edgewood Independent School District www.eisd.net
SPECIAL EDUCATION
210-444-8103

The District is committed to the success of every student. Because each student is unique, a one size fits all educational program is insufficient to meet the needs of all of our students. Some students will need different supports than others. Fulfilling this charge will necessitate teamwork and an all-in approach to create Individualized plans for students that qualify for special education services. EISD promotes inclusion and supports students with disabilities in gaining college and career readiness and independent living skills. Through a rigorous, nurturing learning environment, high-quality instruction, and support services that enable students to reach their full potential. Student success is achieved.

STUDENT NUTRITION
210-444-7975

As part of EISD’s participation in the federal Child Nutrition program administered by the U.S. Department of Agriculture, all students receive breakfast and lunch at no cost, regardless of ability to pay. Supper and after-school snack also are available to students at no cost at sites participating in an after-school academic program. All menu items and foods served to the students meet and/or exceed the guidelines set forth by the U.S. Department of Agriculture. Menu items are tested for palatability and favorability through cuttings and samplings for individual groups often provided by brand representatives. New food lines, products and recipes are offered on the menu and short surveys conducted during meal service prior to February of each when the upcoming SY menu is compiled. Digital menus, nutrition and allergy information can be viewed by campus using our digital menus. To access these, visit: https://schools.mealviewer.com/district/Edgewood

GIFTED AND TALENTED EDUCATION
210-444-8122

Advanced Academics is committed to providing equity and access for Edgewood ISD students who demonstrate advanced levels of critical and creative thinking skills and a need for academic challenge as described in the Texas State Plan for Gifted and Talented Education. In order to promote student access, Edgewood ISD, accepts GATE referrals year-round and offers both a Fall and Spring assessment windows for GATE 1st grade - 12th grade identification. Kindergarten student referrals are assessed in the Spring semester for Kindergarten GATE identification. Student GATE referrals can be completed by any person familiar with the student’s abilities, potential, performance, or past records. GATE referrals can be completed by the following stakeholders: (a) administrators (b) teachers (c) parents (d) community members (e) self. Parents/guardians will need to complete the permission to test paperwork for student referrals by the submission deadlines. Student referrals to the GATE program are assessed on both quantitative and qualitative measures to include Parent/Guardian surveys, Teacher Surveys, ability testing, and achievement testing.

Kindergarten referral deadline for assessment window: January 2021
1st - 12 grade referral deadline for assessment window: Fall - October 2020

HOMELESS (MCKENNEY VENTO) & FOSTER CARE SUPPORT SERVICES
210-444-4565

Homeless support services: The EISD McKinney-Vento Homeless program is committed to ensuring all EISD children and youth in homeless situations have the opportunity to attend, enroll in, and succeed in school. If you have any questions or think you might benefit from McKinney Vento services please contact our program. Students in foster care: Title I is part of the Every Student Succeeds Act, a federal law that provides services to families who care for children through foster or kinship care. Educational rights are parent-driven in the best interest of the child.

Educational rights for students in homeless situations or in foster care:
- Identification of students
- Immediate enrollment
- Removal of barriers to school enrollment, including enrollment documentation
- School selection
- Academic Tutoring
- Participation in extracurricular activities
- Transportation assistance (school bus or VIA Metropolitan Transit)
- Immediate eligibility for free child nutrition
- Right to attend the school of origin or the local school of attendance.
- Receive preschool services, free school meals, services for English language learners, special education, Title I services, vocational/technical education, gifted and talented services, and before and after-school care, as needed.
- Get information and referrals from local liaisons, including information about all available educational programs; information for parents on how they can support their children’s education; and referrals to health, mental health, dental, and other services.

SOCIAL SERVICES
210-444-4565

Social workers provide social and emotional support to enhance the academic growth of all students. Social workers are a link between the home, school and community. School social workers promote personal success and enhance academic performance by providing support for social and emotional barriers.
- Family support services
- Crisis intervention
- Home visits
- Community agency information and referrals
- Collaboration with school staff, community agencies and organizations
- Advocacy for students and parents
- Parent conferences
- Individual and family counseling
- Other related services

Social workers provide social and emotional support to enhance the academic growth of all students. Social workers are a link between the home, school and community. School social workers promote personal success and enhance academic performance by providing support for social and emotional barriers.
- Family support services
- Crisis intervention
- Home visits
- Community agency information and referrals
- Collaboration with school staff, community agencies and organizations
- Advocacy for students and parents
- Parent conferences
- Individual and family counseling
- Other related services
STUDENT HEALTH SERVICES
210-444-7914

Student Health Services implements programs and provides services designed to reduce health-related barriers to learning, promote each student’s optimal level of wellness and empower students and their families with the knowledge and skills needed to achieve lifelong health and wellness. Programs focus on prevention, early identification, referral and case management of health issues having the potential to negatively impact school attendance and academic success.

Immunization Requirements
Texas state law requires students attending school to be immunized against certain vaccine preventable diseases. Parents are encouraged to get children vaccinated before school starts. Students cannot go to school without the proper documentation for the required vaccines or a valid medical or conscientious exemption. In addition to receiving the required immunizations at the doctor’s office, families may also receive their children’s immunizations, including for the flu, at the following low-cost or no-cost vaccine locations:

- CentroMed: (210) 922-7000
- Christus Pediatric Mobile Clinic: (210) 954-3764
- CommuniCare: (210) 233-7000
- University Health System: (210) 358-8255
- Metro Health: (210) 207-8894

Health & Emergency Information and Food Allergy Request Form
Upon enrollment and every school year thereafter, parents/guardian must complete a Health & Emergency Information Form and a Food Allergy Form for their child. This vital information allows the school nurse to identify students with health conditions or special needs in order to provide appropriate accommodations if needed. It is also important that emergency contact telephone numbers are accurate and up to date.

TRANSPORTATION
210-444-4619

Due to the current situation with COVID-19 the Transportation Department is not providing services. This section will be updated when any changes are made to transportation services.

**Mission:** Our Mission is that students, educators, families, and communities work together to develop the whole child academically, socially, emotionally, and physically.

**Vision:** To be an elite elementary campus that provides educational excellence while preparing responsible, tenacious, and productive citizens.

**Our Belief:** All children have the ability to learn. All students must receive an equal opportunity to achieve their best. All students deserve an environment that is conducive to learning. Learning is a life-long process for everyone. Learning is the responsibility of students, parents, community, and educators. School activities must enhance the learning process so that each child can learn. Decisions are made collaboratively, research-based and data driven.
