

Free Autism Training

Parents and care givers of children with autism are invited to enroll in a FREE Autism Training course provided by the University of Texas at San Antonio organized by Dr. Leslie Neely, BCBA-D

The Benefits

What The Course Includes

**\$750 value in
ABA services
completely FREE**

**5 weeks of
individualized
autism training**

**Online course
material to use at
any time**

Board Certified Behavior Analysis - Doctorate will meet with you once a week to provide individualized instruction and feed back about your child or young adult. Paired with online course materials and practice activities, you will learn new ways to support their child with autism.
