

ALONSO S. PERALES ELEMENTARY

Our vision: To build a culture of excellence.

Mission Statement: Alonso S. Perales Elementary School provides authentic learning experiences to cultivate the characteristics of the 21st century learner through problem-solving, innovation, critical thinking, and collaboration.

November 14, 2018

Dear Perales Elementary School Parents/Guardians,

The safety and security of our students remains our highest priority and it is important that families are well-informed about what is happening on our campus while your children are in our care.

Today, we received a letter containing an unknown powdery substance. Acting with extreme precaution, the campus administration contacted the EISD Police as well as the San Antonio Fire Department. A temporary lockdown was put into place for approximately 30 minutes as authorities investigated. After further review, it was determined there was no threat found. The safety of our students and staff is of utmost importance which is why immediate action was taken.

Please feel free to contact the school at (210) 444-8350 if you have any further questions or concerns.

Sincerely,

Teresa Silva, Principal
Perales Elementary School
