Dear Gardendale Elementary School Parents/Guardians,

Your student's safety is our highest priority, and it is important that families are well-informed about what is happening on our campus while your children are in our care.

Though our students were never in any danger, I would like to inform you of an incident that occurred at our campus yesterday.

A threatening statement was made by a parent during a parent/student conference. Due to these actions, the Edgewood ISD Police Department was notified immediately. Police action was taken towards the individual who will be prosecuted to the fullest extent of the law.

Please know we take these situations very seriously as the safety of our students is our top priority. We want to use this opportunity to highly recommend to parents and guardians any threat made to the students, staff, or campus will be reported immediately to school administration and/or police.

Please feel free to contact the school at (210) 444-8150 or email at: [kristin.willmann@eisd.net](mailto:kristin.willmann@eisd.net) if you have any further questions or concerns.

Sincerely,

Kristin Willmann, Principal  
Gardendale Elementary School
