February 7, 2019

Dear Parents/Guardians,

Our school is committed to the safety and education of all our students. We also want to clearly communicate with parents about safety issues when they arise. This letter is to inform you that at 12:30 pm, the Edgewood ISD Police Department was notified of individuals in a nearby home who were suspected of being armed. *Stafford Elementary School* was placed in Lock Out Mode for approximately 20 minutes, as a safety precaution. A Lock Out mode means visitors were not allowed into the campus yet students continued with activities inside of the school with the exception of outdoor events.

We want to assure parents our students were never in any immediate danger and the lock out mode was implemented to secure the safety of everyone on campus. Lock out mode was lifted as soon as the school was given clearance by district police to resume daily activities.

Please know we take these situations very seriously, as the safety of our students is our top priority. Feel free to contact the school at (210) 444 – 8400 if you have any further questions or concerns.

Sincerely,

Roger Gonzales  
Stafford Elementary School

7 de febrero del 2019

Estimados Padres,

Nuestra escuela está comprometida con la seguridad y la educación de todos nuestros estudiantes. También queremos comunicarles claramente con los padres sobre temas de seguridad cuando surjan. Esta carta es para informarle que a las 12:30 pm, se notificó al Departamento de Policía de Edgewood ISD sobre personas en una casa cercana que se sospechaba que estaban armadas. La Escuela Primaria Stafford se puso en modo de bloqueo durante aproximadamente 20 minutos, como medida de seguridad. Un modo de bloqueo significa que los visitantes no pudieron ingresar al campus, pero los estudiantes continuaron con las actividades dentro de la escuela, con la excepción de los eventos al aire libre.

Queremos asegurarles a los padres que nuestros estudiantes nunca estuvieron en peligro inmediato y se implementó el modo de bloqueo para garantizar la seguridad de todos en la escuela. El modo de bloqueo se levantó tan pronto como la policía del distrito dio permiso a la escuela para reanudar las actividades diarias.

Tenga en cuenta que tomamos estas situaciones muy en serio, ya que la seguridad de nuestros estudiantes es nuestra principal prioridad. No dude en comunicarse con la escuela al (210) 444 - 8400 si tiene alguna pregunta.

Sinceramente,

Roger, Gonzales  
Principal
